Conference To Speed Refugee Garment Work

Refugee garment work—the foremost task of Lake Division chapters to-day was the topic of discussion at a recent conference of Red Cross workers held at Indianapolis, Ind.

The need for rapid shipments from chapters to the warehouse in Cleveland, O., was presented by C. B. Dyer, director of the Department of Supplies.

J. Martin Lellean, of the Department of Development, who is just back from overseas duty—told of the distress which he had seen, and the immediate need for these garments.

This need is so great that May 15 has been set for the completion of 420,000 garments in the Lake Division.

It will take the concerted action of the entire Lake Division to fill this order.

AS TO MAILING PACKAGES TO SOLDIERS IN FRANCE.

People in this city and county who write to the soldier boys still in France after their units or organizations have sailed for the United States, should mark their letters or packages, "Please Forward. Addressee still in France," according to Postmaster J. Walter Payne. Officers and privates are frequently left behind to care for property, or adjust accounts, and these are deprived of their mail after notice is given postal authorities that the organization is returning.

The special notation on letters and packages will be necessary only until the card indexes of the War Department are received, showing what officers and what privates have been abroad in the service, and in what capacity.

GOVERNOR SETS ASIDE WEEK FOR JEWISH RELIEF FUND

Governor A. O. Stanley has issued a proclamation setting aside the week beginning April 7, as Jewish War Relief Week and calling upon the people of the State to raise the \$250,000 asked of them for the relief of the six million Jews in Poland, Lithuania, Galicia, Palestine, Turkey and Siberia who are dying of starvation, while homeless, exposed to ravages of the plague and the persecution of infuriated mobs in which the police militia join. The drive is non-sectarian, and sponsored by President Wilson, Vice-President Marshall, and governors and public officials throughout the nation.

The Governor's proclamation follows:

"To the People of Kentucky, Greetings:
"Whereas, the receding armies of the Central Powers have left in their wake indescribable scenes of suffering and privation, torture, famine and death, our duty to the oppressed and enslaved peoples of the Old World is only half finished when the invader is driven from the borders of these suffering lands. It is a pleasant and a Christian duty to minister to the wants of those whom we have made free.

"The boon of freedom itself cannot save the starving from death or the naked from the winds of winter or house the homeless.

"To-day upon the Eastern front there are untold millions of men, women and children of the Jewish race who are in direct need of the simplest necessities of life and unless they find succor here and find it without delay these wretched sufferers will sink forever under the burdens of want and oppression, torture and outrage, which no tongue can tell or pen portray.

"To the aid of these victims of brutality the Kentucky Division of the American Jewish Relief Committee have determined to carry on a campaign for the raising of funds.

"Therefore, I, A. O. Stanley, Governor of Kentucky, issue this proclamation setting aside April 7th to 11th, 1919, as Jewish War Relief days in the State of Kentucky.

"In testimony whereof I have caused these letters to be made patent, and the seal of the Commonwealth to be hereunto affixed. Done at Frankfort, the twenty-fourth day of March, in the year of Our Lord one thousand nine hundred and nineteen and in the one hundred and twenty-seventh year of the Commonwealth.

"A. O. STANLEY,
Governor of Kentucky."
